

To all Parents/Carers

9th January 2019

Dear Parent/Carer,

Gas Works

Please be aware that we have been advised that the westbound lane of Augustus Road is now closed between Albert Drive and Wimbledon Park Road for approximately 6 weeks. This will lead to delays in some bus routes and also mean parents may not be able to access Sutherland Grove when travelling westbound. Please could I ask that pupils using this route should start their journey to school earlier to avoid any possible delays.

Yours sincerely,

Jonathan Miller
Assistant Headteacher
