

The Sports Portal

If you want to see the full Sports Programme, with details of **all** the foundations fixtures, results, match reports and more, you can visit <http://www.stcsports.co.uk/>

This link is also available on the school app. If you haven't downloaded the school app yet, please click [here](#).

The sports portal is very straightforward but here are few instructions on how to use it:

- You can either navigate to our **Sports Calendar** via the main menu, and then select the day you are interested in. This shows the venue and if we're playing away will have a link to the location map of our opponent's school. You can also see the team selected for the fixture wherever you see this blue image  Normally we announce team selections at least the day before and in some cases 48 hours before. From the Sports Calendar you can also click directly through to a team's fixtures & results listing by clicking the Team's Name. e.g. click on the "Girls-U16A".
- If you are following a particular team or teams you can also select **Sports & Teams Fixtures & Results** from the main menu. Then select a particular sport and your team to see **past results and upcoming fixtures**.
- From any teams Fixture list you can "Spy" on the opponents recent results by clicking on the spyglass button , or see the playing record by clicking on this button , or find their location by clicking on the map point button .
- From any team's Fixtures & Results listings you can also **download** the entire fixture list to your personal calendar on your PC or mobile device (such as an iPhone or iPad). Any changes we make to our fixtures will be synchronised with your personal calendar whenever you connect your PC or mobile device to the Internet. **NOTE:** If you have already logged in and synched your child's timetable to your personal calendar, then doing this may create a duplicate event!
