

Lectures and events pupils might want to attend

University Taster Days

Visit this [website](#) to access the university taster days taking place in and around London.

University Taster Courses

Visit the [Sutton Trust](#) website to see what is available to support you in your next step. There are pathways to specific professions, summer schools and apprenticeships.

Lectures

Here are a range of lectures taking place in and around London or online. Remember these are not school trips, and so you must organise your own transport, tickets etc. It is important that you look at all the information before setting out, and that you book your tickets. Discuss with your parent/carer before signing up. For more details look at <https://lectures.london/> or look at the organiser website
